1. Team Contribution

I am submitting a \$50 tax deductible donation to the robotics team. (ERHS PSO EIN: 27-0729223) -reduced this year due to COVID.

Does your employer match donations you make? East Ridge Robotics is a 501c3 non-profit. Please consider using your company match dollars for the team. If you do submit for matching dollars from your company, please email Meena Bharti, Treasurer, at meenlings@yahoo.com and let her know to watch for the check. All checks go to the main school PSO and checks will not get released to the team without proof the dollars are meant for robotics.
